January – February 2026

When in Doubt, Pray for Wisdom

My brothers and sisters, whenever you face various trials, consider it all joy, because you know that the testing of your faith produces endurance. And let endurance complete its work, so that you may be complete and whole, lacking in nothing. If any of you is lacking in wisdom, ask God, who gives to all generously and ungrudgingly, and it will be given you.

James 1:2-5

The weeks following Epiphany can feel a little grim. Christmas is over and the secular new year has arrived. In theory, the new year offers a fresh start. In practice, the trials of our lives may take a pause at Christmas, but they often come surging back on January 2nd, requiring that much more attention after having been put off for a week or two. The weather is chancy, cold and damp, and although we know the days are lengthening, Spring can seem very far away. And even if everything in our personal lives is just the way we want it, the world outside our doors is not, as five minutes spent with any responsible news outlet will confirm.

There are many good people within and outside the Episcopal Church working to meet the needs of the most vulnerable among us and speaking clear, courageous truth to the powers and principalities of our world. You may wonder what you can do to help them, or you may worry that nothing you can do would make a positive difference. You may not know what to pray for, or you may privately fear that, no matter what you ask of God, nothing will change for the better.

When the trials of my own life or of those around me threaten to overwhelm, I find solace in the Letter of James. Although Bible scholars debate the letter's authorship, tradition attributes it to Jesus's younger brother, St. James the Just. James was never a disciple and had nothing to do with his brother's ministry during his earthly lifetime. After Jesus' Resurrection and Ascension, however, James presided with Peter over the early Church in Jerusalem. We have only one letter attributed to James, who was nothing if not plainspoken. Some of what he wrote is blunt enough to make you wince, and his advice is still pure gold.

James is right that enduring the trials of this world builds our faith, but our trials sometimes leave us confused or disheartened. If you don't know what to do or what to pray for, ask God for wisdom. The Holy Spirit loves to lead us in good directions, and praying for wisdom tells God that we're ready to be led. Be patient and persistent in prayer, and your path will become clear.

January 1st is an arbitrary date that was set so that everyone starts a new year together. There are many

personal beginnings in each of our lives, when circumstances change and we're called to start anew. Whether you're embarking on a new venture right now or wishing that something would come to an end so you could make a fresh start, keep praying for wisdom. It's one of God's best gifts. May God grant you wisdom, and gently lead you to whatever path he has in store for you in the coming year, and may you be a blessing to everyone you love and pray for.

Blessings,
Pastor Lauren+

A Note from the Treasurer

Thank you for your 2026 pledges. It is much appreciated and helps us to pay our bills promptly. End of year giving statements will be sent to you via US Mail in January.

Remember that there are multiple ways that you can make your pledge payment:

- Sending a personal check in the mail to the church or placing it, or cash, in the offering plate on Sunday.
- Setting up a recurring payment using your bank's automated bill payment feature. There is generally no fee attached, and the bank sends a check to the church automatically with the frequency and amount you specify.
- Using Givelify online (<https://www.givelify.com/donate/st-lukes-church-anapolis-md-2j7wy5ODQ0MQ==/donation/amount>). You may set up a recurring gift to match your pledge amount and frequency. Please remember that Givelify charges us for each donation, so please consider adding an additional couple of dollars to your donation to help us defray this cost.
- Zelle through your bank account. The church email address for Zelle is finance@stlukeseastport.org.
- Sending your pledge directly to the church from your IRA thus reducing the taxable income from

your required minimum distribution. You may first want to discuss this method with your tax preparer or financial advisor.

Please contact Pete Stark, Treasurer, at 410-269-9760 or starkhe2@yahoo.com for any questions or assistance. Thank you.

Annual Meeting – Save the Date!

The Annual Meeting of St. Luke's' congregation will take place **on Sunday February 22, 2026 immediately** after services. We will review the past church year, elect new members to the vestry while thanking those who have completed their terms. We will also review our Finances from 2025 and highlight plans for 2026. Please join us as we celebrate our accomplishments in 2025 and look forward to the church year ahead.

Vestry Summary

Greetings from the St. Luke's Vestry!

We are moving from Advent into Epiphany, when as a newborn Jesus Christ was revealed as the Savior and Prince of Peace to the Magi that visited him in his humble manger. As a new year dawns, we look for the peace and hope that the birth of Jesus Christ represents, even in times of trouble and uncertainty. Jesus's parents managed to escape the wrath of King Herod, keeping our Savior safe despite the suffering and great danger to him and to the people of Bethlehem and beyond. We are never alone as Jesus walks amongst us, carrying that seed of hope wherever he is present.

The vestry has approved a budget for 2026 that will be presented at the annual meeting on February 22nd. Many thanks for the hard work of the finance committee for steering St. Luke's' fiscal health! A major budgetary item that the vestry has discussed many times is ensuring our staff are supported fairly for their work and allow for pay increases as necessary. To that end, we are pleased to say that there was a generous donation which allowed us to do that, and to bring Pastor Lauren+ formally on full time. We are so grateful for your donations and pledges to champion St. Luke's and its staff, as we also cannot do the work of this church without Pastor Lauren+, Dalyn Huntley, Ildar Khannonov, and Valerie Holt.

The vestry will also see some changes this year, as both Dan Ramirez and Amanda Reynolds are stepping off the vestry. In addition, Amanda currently serves as registrar (note keeper) for the vestry and this position will need to be filled. If you would like to become part of the team that steers St. Luke's, please let Pastor Lauren+ know. It is a rewarding way to serve the church community and feel free to ask about the different roles vestry members play!

Finally, the vestry is considering what to do with the amphitheater space outdoors. Currently, the logs that serve as benches are starting to degrade as well as the larger cutting that serves as an altar and lectern. Architecture and design students from University of Maryland professor Ezban's class created a variety of designs for St. Luke's as starting points to reimagine the space and we hope to get your feedback on what you would like to see. Stay tuned for details on the process.

Later in his life Jesus said to his disciples: "Peace I leave with you, my peace I give unto you not as the world giveth, give I unto you. Let not your heart be troubled, neither let it be afraid" (John 14:27). We welcome you to St. Luke's, holding the seed of hope and peace in our hearts and invite you to walk with us in this moment.

With Blessings,
The St. Luke's Vestry

*Be Still and Know that I
am God.
(Psalm 46:10)*

St. Luke's centering prayer ministry meets once a week to take a

break from the chaotic world around us. We take time to be still.

Gradually, with practice and patience, the mind calms and our hearts open to transformation and to deeper knowing of God's presence in our lives. The weekly sessions begin with a reading from a variety of contemplative authors. The reading is followed by 20 minutes of silent centering, followed by reflection. You need no experience to join us; simply begin where you are.

Using [St. Luke's Zoom link](#), we meet on **Fridays**, from **10 to 11 a.m.** If you would like to receive the weekly reminder and update on events that are sent out every Thursday, contact Eve Waldman and she will put you on the mailing list. eleanorevwaldman@gmail.com. Eve's co-facilitators Chuck Gallegos can be reached at gallegoscl@verizon.net, and Jenna Lane, Jenna.S.Lane1944@gmail.com. They will be happy to answer questions.

By reaffirmation of the promises made at Confirmation, a Daughter pledges herself to a life-life-lifelong program of prayer, service, and evangelism.

We find the Order to be a quiet place in a busy world, where we can support each other in our walk with Christ. If you are interested in learning more, please contact Pam Roth at 410-353-6774, or at rothsbythebay@verizon.net.

Phishing & Scams

If you receive an email or text that appears to be from Pastor Lauren+, a vestry member or anyone in our community, asking you to take some kind of unusual action – *click a link or download an attachment you didn't request, wire money to a specified account, purchase gift cards and reply with the serial numbers, or simply to reply quickly*, watch out – it could be a form of **“phishing”**.

Verify the “from” email. The malicious actors behind “phishing” attacks are counting on people springing into action as soon as they see an important name on an email. You can outsmart them by looking beyond the name and checking the “from” email address to see if it matches what you know the alleged sender’s email to be. If you only see a name, you can cause the “from” email address to be displayed by hovering the cursor over the name.

Confirm requests with a conversation. Even if the email or text seems legitimate, if a request seems even remotely “off,” don’t act on it until you confirm it with a phone call or face-to-face conversation. Contact the church office at 410-268-5419. **If there is a need, Pastor Lauren+ includes any announcements on Sundays during service, our weekly publications, and bi-monthly newsletters.**

DO NOT reply or forward the suspicious email or text. REPORT emails as SPAM to your email carrier and BLOCK texts.

St. Luke's has a long-standing tradition of remembering the birthdays and anniversaries of our members with a card and in the newsletter, as well as praying for those who are present on the preceding Sunday. If you are new to the St. Luke's community or unsure if we have your birthday/anniversary, please let us know when it is! Send the information to the office by phone or email (410-268-5419 or office@stlukeeastport.org).
